The Urban Renewal Plan for the South Santa Fe Urban Renewal Project

Adopted
13 November 2006

THE URBAN RENEWAL PLAN FOR THE SOUTH SANTA FE URBAN RENEWAL PROJECT

I. DEFINITIONS

The terms used in this Urban Renewal Plan shall have the following meanings.

Act means the Colorado Urban Renewal Law, Part 1 of Article 25 of Title 31, of the Colorado Revised Statutes.

Area or Urban Renewal Area means the area of the City included within the boundaries of this Urban Renewal Plan as depicted in Exhibit A and described in Exhibit B.

Authority means the Urban Renewal Authority of Pueblo, Colorado.

City means the City of Pueblo, Colorado.

Comprehensive Plan means the Pueblo Comprehensive Plan adopted in 2002 as supplemented by the small area or neighborhood plan described in Section II (the Supplemental Plans).

Plan or Urban Renewal Plan means this urban renewal plan as it may be amended in the future.

Project or Urban Renewal Project means all of the activities and undertakings described in this Urban Renewal Plan.

II. INTRODUCTION

The purpose of this Plan is to implement those provisions of the Comprehensive Plan and the Supplemental Plans that apply to the Urban Renewal Area. The Supplemental Plans are: the Central Pueblo Framework Plan; the Northwest Transportation Corridor Plan; the Comprehensive Parking Study for the Central Pueblo Area; the Soul of Pueblo; the Strategic Economic and Physical Development Plan for Downtown Pueblo; and Tools for the 21st Century; a Downtown Retail Market Study.

This Urban Renewal Plan has been proposed for the City Council of the City pursuant to the provisions of the Act. The administration of the Project and the implementation of the Plan shall be the responsibility of the Authority.

III. URBAN RENEWAL AREA BOUNDARIES

The location and boundaries of the Urban Renewal Area within the City are shown in Exhibit A. The Urban Renewal Area contains approximately ____ acres and is described in Exhibit B.

IV. SUMMARY OF STATUTORY CRITERIA

The Authority contracted with M. Torgerson Architects, P.C., to survey and document whether conditions that constitute a “blighted area”, as defined in the Act, exist in the Area. The result of the survey is included in a document entitled “South Downtown Pueblo Conditions Survey” (the Conditions Survey) dated July 2006, consisting of 40 pages, related exhibits, a description of existing conditions, and numerous photographs. The Conditions Survey is incorporated herein by reference.

The Conditions Survey shows that the following factors listed in the Act are present in the Area and that these conditions qualify the Area as a “blighted area” as defined in the Act:

- Slum, deteriorated, or deteriorating structures;
- Predominance of defective or inadequate street layout;
- Faulty lot layout in relation to size, adequacy, accessibility, or usefulness;
- Unsanitary or unsafe conditions;
- Deterioration of site or other improvements;
- Inadequate public improvements or utilities;
- Buildings that are unsafe or unhealthy for persons to live or work in because of building code violations, dilapidation, deterioration, defective design, physical construction, or faulty or inadequate facilities;

V. DESCRIPTION OF URBAN RENEWAL PROJECT

This Plan will be implemented as part of a comprehensive program to eliminate and prevent blight in the Urban Renewal Area. The Authority and the City, with the cooperation of private enterprise and other public bodies, will undertake a program to eliminate the conditions of blight identified in the Conditions Survey while implementing the Comprehensive Plan and the Supplemental Plans.

A. Urban Renewal Plan Goals and the Plan’s Relationship to Local and Regional Objectives

1. Goals of the Plan

This Plan has been adopted to achieve the following goals in the Area:

-
- a. The Plan will implement the following provisions of the Comprehensive Plan:

Urban Mixed Use; Urban Mixed consists of a mixture of office, retail, higher density residential and public uses that tend to spur redevelopment of underutilized commercial and office buildings as well as former downtown industrial sites.
 - b. The Plan will provide connection to and complement redevelopment of the Pueblo Expanded Urban Renewal Project (the Expanded Urban Renewal Project) and the Historic Arkansas Riverwalk of Pueblo (HARP).
 - c. The Plan will promote a balance of complementary land uses in the Area.
 - d. Implementation of the Plan will eliminate and prevent conditions of blight in the Urban Renewal Area.
 - e. Through the maximum possible participation of private enterprise and the cooperative efforts of the public sector, implementation of the Plan will eliminate and prevent economic deterioration in the Urban Renewal Area and the community at large. The Plan will promote creation of value in the Area.
 - f. The Plan will upgrade public facilities and infrastructure, access, traffic, pedestrian and bicycle circulation, public utilities, public amenities, recreation and drainage in the Urban Renewal Area, the Expanded Urban Renewal Project, and HARP.
 - g. The Plan will help attract capital investment and new retail businesses, retention and development of a competitive regional retail market, thereby providing employment and strengthening the City's economic base.
 - h. The Plan will expand retail opportunities for the citizens of Pueblo and the surrounding area and create a stable sales tax base for the City.
 - i. The Plan will improve conditions and correct problems in the Area related to vehicular access and circulation, public utilities, drainage, environmental contamination, public safety, and public amenities.

2. Relationship to Local and Regional Objectives

The Plan conforms with and is designed to implement the Comprehensive Plan, the Supplemental Plans, and regional objectives in the Area.

- a. Providing a balance of land uses sensitive to the distribution of jobs and housing;
- b. Encouraging cooperation among governments and government agencies in the Area, the Expanded Urban Renewal Project, and HARP;
- c. Implementing the Pueblo Regional Development Plan to facilitate orderly growth in the City and the region;
- d. Providing a variety of mixed, high-quality land uses, supported by existing and proposed regional transportation networks, to maximize economic opportunities throughout the Area and region.

B. Land Use Regulations and Building Requirements

Notwithstanding anything in the Plan to the contrary, the development and use of the property within the Urban Renewal Area described in the Plan including, without limitation, land area, land use, design, building requirements, timing or procedures applicable to the property, shall be subject to the Pueblo Municipal Code and secondary codes therein adopted by reference, and other applicable standards and regulations of the City of Pueblo (City Regulations) which shall be controlling with respect thereto, provided, that is a conflict exists between any provision of the City Regulations and any provision of the Plan or any design guidelines or standards of the Authority, the most restrictive provision shall control.

The Plan will provide a comprehensive and unified plan to promote and encourage high quality development of the Urban Renewal Area by private enterprise. In addition to the land use and building requirements contained in City Codes and ordinances and the provisions of this Plan, the Authority may adopt design guidelines and standards (Design Guidelines and Standards) that will apply to the property included in the Area. Upon adoption by the Authority, the Design Guidelines and Standards shall apply to both public and private improvements.

The Plan and the Design Guidelines and Standards will implement the provisions of Section 31-25-107(8) of the Act, which provides that, upon approval of the Plan by the City Council, the provisions of the Plan shall be controlling with respect to land area, land

use, design, building requirements, timing, or procedure applicable to the Area.

In the event of a conflict involving the provisions of City codes, the Plan, and the Design Guidelines and Standards, the most restrictive provision shall govern.

1. Uses

Permitted uses for properties in the Urban Renewal Area shall be those uses allowed in ~~the~~ [City of Pueblo Municipal Code](#) and this Plan.

2. Plan Review Process

The purposes of the Plan are to eliminate and prevent blight in the Urban Renewal Area and to achieve development of the highest quality in the Urban Renewal Area. To assure that those purposes are accomplished, the Authority shall review all plans or proposals for development in the Area to determine compliance with the Plan and, if applicable, the design guidelines and standards. No building permit shall be issued prior to and unless the Authority makes a finding that such plans or proposals comply with this Plan and, if applicable, the design guidelines and standards.

a. Site Development Plan.

Each plan or proposal shall be accompanied by a site development plan. The site development plan shall be submitted to the Authority in a form required by applicable City codes, as such provisions may be amended from time to time.

b. Review Standards.

The decision of the Authority shall be based on whether a proposed site development plan meets the following standards.

- (1) The proposal should be consistent with the purposes and standards of this Plan and the City codes, regulations, and policies.
- (2) The proposal should identify and specify factors that mitigate any potential negative impacts on nearby properties.
- (3) The proposal should identify and specify factors that

maximize potential positive impacts on nearby properties.

- (4) The proposal should include adequate facilities for pedestrians, bicyclists and motorists.
- (5) The proposal should optimize conservation of energy, water, and other resources on a site-specific scale.
- (6) The land uses within the proposal should be compatible with one another.
- (7) The proposal should include any common areas serving the site, and contain adequate provisions for ownership and maintenance of such areas.
- (8) The proposal should include adequate public improvements (both on and off site) to be provided in a timely fashion.
- (9) The proposal is consistent with the Design Guidelines and Standards, if adopted by the Authority.
- (10) The proposal includes pedestrian-friendly design features.

VI. PROJECT ACTIVITIES

The following provisions shall apply to the Area. In accordance with the Act, the Authority may undertake these activities directly or, to the extent authorized by applicable law, contract with third parties to do so.

A. Land Acquisition

In order to carry out this Plan, the Authority may exercise any and all of its rights and powers under the Act and any other applicable law, ordinance or regulation. The Authority may acquire any interest in property by any manner available. The Authority may acquire property in the Area for the following reasons: To eliminate or prevent conditions of blight; to carry out one or more objectives of the Plan; to assemble property for redevelopment by private enterprise; for needed public improvements; and for any other lawful purpose authorized by the Plan, the Act or any other applicable law.

Acquisition of property by eminent domain is not authorized unless the City Council approves, by majority vote, the use of eminent domain by the Authority.

B. Relocation

If acquisition of property displaces any individual, family, or business concern, the Authority may assist such party in finding another location, and may, but is not obligated to, make relocation payments to eligible residents and businesses in such amounts and under such terms and conditions as it may determine and as may be required by law.

C. Demolition, Clearance and Site Preparation

The Authority may demolish and clear those buildings, structures, and other improvements from property it acquires if such buildings, structures, and other improvements are not to be rehabilitated in accordance with this Plan. The Authority may provide rough and finished site grading and other site preparation services as part of a comprehensive redevelopment program.

D. Property Management

During such time as any property is acquired by the Authority, for disposition for redevelopment, such property shall be under the management and control of the Authority and may be rented or leased by it pending disposition for redevelopment or rehabilitation. Notwithstanding the foregoing, the Authority may acquire property, develop, construct, maintain, and operate thereon buildings and facilities devoted to uses and purposes as the Authority deems to be in the public interest.

E. Public Improvements

If adopted by the Authority, the Design Guidelines and Standards will contain plan and Design Guidelines and Standards for all public improvements and infrastructure. The Design Guidelines and Standards shall include criteria and standards to address street, streetscape, utility, drainage and flood problems in the Area as well as other elements deemed necessary by the Authority to eliminate and prevent conditions of blight and to carry out the provisions of the Act and the Plan.

F. Land Disposition, Redevelopment and Rehabilitation

Purchasers or owners of property within the Area will be obligated to develop, redevelop or rehabilitate such property in accordance with the provisions of this Plan and, if adopted by the Authority, the Design Guidelines and Standards.

The Authority may dispose of property it acquires by means of a reasonable competitive bidding procedure it establishes in accordance with the Act and pursuant to redevelopment agreements between the Authority and such purchasers.

The Authority may also enter into owner participation agreements with property owners in the Area for the development, redevelopment or rehabilitation of their property. Such agreements will provide for such participation and assistance as the Authority may elect to provide to such owners.

The Authority may develop, construct, maintain, and operate buildings and facilities devoted to uses and purposes as the Authority deems to be in the public interest.

All such redevelopment, owner participation and other agreements shall contain, at a minimum, provisions requiring:

1. Compliance with the Plan and, if adopted by the Authority, the Design Guidelines and Standards and City codes and ordinances;
2. Covenants to begin and complete development, construction or rehabilitation of both public and private improvements within a period of time deemed to be reasonable by the Authority;
3. The financial commitments of each party (but nothing herein shall obligate the Authority to make any such financial commitment to any party or transaction).

G. Cooperation Agreements

For the purposes of planning and carrying out this Plan in the Area, the Authority may enter into one or more cooperation agreements with the City or other public bodies. Without limitation, such agreements may include project financing and implementation; design, location and construction of public improvements; and any other matters required to carry out this Project. It is recognized that cooperation with the City, other municipalities and other public and private bodies may be required to coordinate such issues as the design, construction, maintenance, operation, and timing of public and private improvements within and outside of the Area to properly and efficiently carry out the goals and objectives of this Plan. Cooperation agreements addressing such issues are deemed necessary and incidental to the planning and execution of the Project.

H. Other Project Undertakings and Activities

Other Project undertakings and activities deemed necessary by the Authority to carry out the Plan in the Area may be undertaken and performed by the Authority or pursuant to agreements with other parties or public bodies in accordance with the authorization of the Act and any and all applicable laws.

VII. PROJECT FINANCING

The Authority is authorized to finance activities and undertakings under this Plan by any method authorized by the Act or any other applicable law, including without limitation, appropriations, loans or advances from the City; federal loans and grants; state loans and grants; interest income; pay as you go arrangements; annual appropriation agreements; agreements with public and private parties or entities; sale of securities; loans, advances and grants from any other available source.

Any and all financing methods legally available to ~~the City~~, the Authority, any private developer, redeveloper or owner may be used to finance in whole or in part any and all costs, including without limitation, the cost of public improvements described or anticipated in the Plan or in any manner related or incidental to the development of the Urban Renewal Area. Such methods may be combined to finance all or any part of activities and undertakings throughout the Urban Renewal Area. Any financing method authorized by the Plan or by any applicable law, including without limitation, the Act, may be used to pay the principal of and interest on and to establish reserves for indebtedness (whether funded, refunded, assumed or otherwise) incurred by the Authority ~~or the City~~ to finance activities and undertakings authorized by the Act and this Plan in whole or in part.

The Authority is authorized to issue notes, bonds or any other financing instruments or documents in amounts sufficient to finance all or part of the Urban Renewal Plan. The Authority is authorized to borrow funds and to create indebtedness in carrying out this Plan. The principal, interest, and any premiums due on or in connection with such indebtedness may be paid from any funds available to the Authority.

The Project may be financed by the Authority under the property tax allocation financing provisions of the Act. Under the tax allocation method of financing the Project, property taxes levied after the effective date of the approval of this Plan upon taxable property in the Urban Renewal Area each year by or for the benefit of any public body shall be divided for a period not to exceed twenty-five (25) years after the effective date of the adoption of this tax allocation provision, as follows:

1. Base Amount

That portion of the taxes which are produced by the levy at the rate fixed each year by or for such public body upon the valuation for assessment of taxable property in the Urban Renewal Area last certified prior to the effective date of approval of the Plan or, as to an area later added to the Urban Renewal Area, the effective date of the modification of the Plan shall be paid into the funds of each such public body as are all other taxes collected by or for said public body.

2. Increment Amount

That portion of said property taxes in excess of such base amount shall be allocated to and, when collected, paid into a special fund of the Authority to pay the principal of, the interest on, and any premiums due in connection with the bonds of, loans or advances to, or indebtedness incurred by (whether funded, refunded, assumed or otherwise) the Authority for financing or refinancing, in whole or in part, the Project.

Unless and until the total valuation for assessment of the taxable property in the Urban Renewal Area exceeds the base valuation for assessment of the taxable property in the Urban Renewal Area, all of the taxes levied upon taxable property in the Urban Renewal Area shall be paid into the funds of the respective public bodies.

When such bonds, loans, advances and indebtedness, including interest thereon and any premiums due in connection therewith, have been paid, all taxes upon the taxable property in the Urban Renewal Area shall be paid into the funds of the respective public bodies.

The increment portion of the taxes, as described in this subparagraph 2, may be irrevocably pledged by the Authority for the payment of the principal of, the interest on, and any premiums due in connection with such bonds, loans, advances and indebtedness incurred by the Authority to finance the Project.

VIII. CHANGES IN APPROVED PLAN

This Plan may be modified pursuant to the provisions of the Act governing such modifications, including Section 31-25-107, C.R.S.

IX. MINOR VARIATIONS

The Authority may in specific cases allow minor variations from the provisions of the Plan if it determines that a literal enforcement of the provisions of the Plan would constitute an unreasonable limitation beyond the intent and purpose of the Plan.
